OFFICE OF STUDENT SERVICES AND DEVELOPMENT

FINANCIAL AND EDUCATIONAL ASSISTANCE SERVICES

LIST OF SCHOLARSHIPS

The scholarship program of the university is directly handled by the Financial and Educational Assistance Services of the Office of Students Services and Development. In this presentation, the various scholarship programs are categorized based on their funding sources. (1) **Institutional scholarships** are those that are funded by the university as approved by its board of regents. (2) **Government-funded scholarships** are funded by various government agencies duly established partnerships with the university to provide assistance to deserving students. (3) **Private-funded scholarship programs** are funded by private individuals, organizations and companies seeking to provide educational assistance to deserving students. Each is supported by signed and notarized memoranda of agreement.
